Cruising News . . . March 2020

President's Message: The RVCC family gets together!

Hello fellow RVCC members, Sandra and I really enjoyed the Club anniversary dinner with all of you. Thank you for the large turnout of members. It was great seeing all of you. Also, thank you for the confidence and support in reelecting me as your Club President for another two years. I'm looking forward to seeing all of you at many of our Club functions this summer. It is a pleasure to be President of such a great Car Club with such nice people. Best, Jim

Meeting Minutes, Sunday, March 8, 2020

The meeting, held at the Taprock Restaurant, was called to order by Jim Wells at 5:15 pm.

Welcome/Introductions/New members: None.

Vice-president's report: None. Ron Cook was out of town.

Newsletter editor report: None. Joy Westberg has a cold.

Treasurer's report: Glenn Dean reports that "we are solvent!"

Secretary's report: None. Neither of the temporary secretaries were present but Cathy Weed graciously stepped in to take minutes.

Cruise Director's report: Nothing planned for the immediate future, other than the monthly cruise to Cave Junction for breakfast at the Senior Center. This happens on the first Saturday of each month.

2020 Fabulous 50s Car Show update: Kathy Simmons reports that the flyer for the show has been sent to the printer and should be back to us within the next week. Kathy also clarified that our show will be celebrating its 25th year, but it is the 30th year of the Back to the Fifties event sponsored by the city of Grants Pass. The flyer will reflect the 30th anniversary. Jim Wells met with Dan DeYoung and Aaron Cubic, and the parking "issue" is now settled: we will NOT be required to fill the soccer field area first, as the Parks Department had demanded. We can park as in prior years, and efforts will be made to allow additional overflow parking areas. Jim will be communicating by letter with the Parks Dept. to let them know of our intentions, to ensure that we're all on the same page.

Officer nominations and elections: No one has volunteered or been nominated to fill the secretary position. Glenn Dean has volunteered to take the Treasurer's position for another term. Jim Wells was enthusiastically nominated for another term as President, and has graciously accepted. YAY!

Announcements: It is with great sorrow that we announce the passing of Larry Diltz, Arnie Thompson, and Bob Lindberg's lovely wife, Miriam. Arnie's step-daughter wanted us to know that she is tasked with settling Arnie's estate, and there are many tools, a rack/lift, and a trailer available, among other things. If you are interested, contact Jim Wells and he will give you the contact information. Tom Booth reported that his Rambler station wagon sold. It was taken to a big show in Michigan and won a 1st place award. He also sold his Torsion T, which will reportedly be the subject of an episode of a TV series, in the future.

50/50 was won by Ed Premo. A grand total of \$71!

Next meeting is TBA, as the regularly-scheduled Sunday will actually be Easter Sunday. "Bwana Jim" will check with the Fruitdale Grange to see if the 5th or the 19th is available. In addition, depending on what transpires with Corona virus issues, we may be required to cancel the April meeting. Club members will be alerted via email.

The meeting was adjourned at 5:37 pm.

The anniversary dinner commenced at 6:00 pm, and it was delicious!! Thank you, Taprock!

Minutes respectfully submitted by Cathy Weed.
